### **Chaperons**

Thank you for participating in today’s field trip to Fort Vancouver National Historic Site. You have a very important role today—to assist the Group Leader and Park Guide in focusing the students’ attention, thereby enhancing their learning experience. Please follow these guidelines in addition to the one’s your Group Leader has assigned:

- Be with your assigned group of students at all times and monitor their behavior. If students are being disruptive or breaking Park Rules, you should intervene.
- Accompany students to the restroom.
- Be familiar with Park Rules and ensure that students follow them.
- Smoking is not permitted in the Visitor Center or the Fort.
